

## BIOGRAPHY

---

### Nicholas Williams

I'm stoked for you to read my bio my name is, Nicholas Williams. Besides being a chill person I'd say I'm Netflix-professional. My time killers are playing guitar, and going to concerts. I'm a proud somewhat active member of Mobile App Dev Club. Being a woke student has taught me about my inner myself. I want to focus on my self worth and learn more about my passion in Machine Learning.
